Your individual membership offers the following exclusive benefits:

## LEARN

- Member discounts on all Chapter meetings, events and workshops, and 15% off CaGBC Workshops
- **Complimentary** subscription to SABMag (Sustainable Architecture and Builder Magazine), SAB Homes or the Canadian Journal of Green Building & Design
- Full subscription to the Chapter Members newsletter – keeping you up-to-date on Chapter events, the latest regional green building news and more
- Exclusive access to membership directory, company profiles, case studies, job postings and much more through the member-only portal on the Chapter website
- Special member pricing for CaGBC National conference (savings up to \$250 dollars)
- Exclusive Member only promotional offers from Chapter partners

## NETWORK

- Exclusive access to Chapter networking events and workshops
- Opportunities for career development, networking, knowledge exchange and collaboration with a growing membership comprised of diverse building industry professionals

## ENGAGE

- Chapter Members have voting rights and can run for the annual Board of Directors Elections
- Help shape the development of Chapter programs by joining a Chapter committee, volunteering at workshops and events, presenting at Chapter meetings, and participating in special industry events

## PROMOTE

- Recognition as a leader in supporting a better built environment with status as “Member of the Greater Toronto Chapter of the Canada Green Building Council”
- Opportunities to promote and showcase your green ideas or projects on the Chapter Website and email newsletter

## SUSTAINABLE VALUE

As a paid member, you will receive exclusive discounts to all Chapter meetings, green building tours, training and other networking events. You can also help shape the development of Chapter programs and events by joining a Committee, volunteering for workshops and events and by participating at special industry functions. Should you move to a different region of Canada, your membership will be transferable between Chapters.

Your membership helps the Chapter improve services to build leadership; collaboration opportunities; education programs and deliver real value in all of our resources and events.

Become part of a rapidly growing organization that collectively represents thousands of corporate and individual members of the green building sector across the country.

**Become a Chapter Member by visiting [www.greenbuildingontario.ca/register](http://www.greenbuildingontario.ca/register)**
